Carrier Terms & Agreement

Every shipment tendered to a Carrier by BacklotCars will be subject to the terms of the BacklotCars Broker-Carrier Agreement; BacklotCars' Terms and Conditions, to the extent applicable which are posted online at (www.backlotcars.com); and applicable law.

In the event of a conflict between the terms and provisions of the BacklotCars Broker-Carrier Agreement and the BacklotCars' Terms and Conditions, the terms and provisions of the Agreement shall control.

Documentation and General Procedures:

1. Carrier should contact customers at least two (2) hours prior to pick up or delivery of a vehicle to schedule a convenient time during normal business hours for access. Failure to schedule an appointment may result in a missed or delayed pick up or delivery. BacklotCars will not incur any dry run fees as a result of Carrier's failure to schedule an appointment.
2. In the event that Carrier is unable to perform the requested Services, Carrier shall notify BacklotCars within one (1) day after Carrier determines it is unable to perform the requested Services.
3. Carrier shall not disclose or discuss the terms of the BacklotCars Broker-Carrier Agreement including the rates or the valuation of the Services with customers or other third parties.
4. Carrier will be responsible for loading and unloading all shipments. Carrier must utilize appropriate equipment, including a winch for inoperable vehicles, when loading and unloading vehicles.
5. Carrier must verify that the vehicle identification number (VIN) on the BacklotCars dispatch paperwork matches the VIN on the vehicle. Any discrepancies must be reported to BacklotCars prior to pick up.
6. Carrier shall not, under any circumstances aside from loading and unloading, drive any vehicle consigned to them unless given specific approval from BacklotCars. Driving vehicles without authorization will result in non-payment of carriage as well as any additional BacklotCars Customer imposed penalties (including, but not limited to, additional mileage charges).
7. Carrier shall provide evidence of pickup in the form designated by BacklotCars indicating the quantity of vehicles picked up, a description of each vehicle including its condition, odometer reading, BacklotCars Order ID, VIN(s), and the legible name and signature of a representative of the pickup location.
8. Carrier will deliver all vehicles to the appropriate destination as listed on the pickup notice. Carrier shall be liable for any damages resulting from delivery at an alternative destination.
9. Carrier shall provide to BacklotCars, within twenty-four (24) hours of delivery, an invoice and detailed condition report containing the quantity of vehicles delivered, a description of each vehicle and its condition, VIN(s), and acknowledgement of delivery by the recipient of the shipment, including the recipient's legible name and signature.
10. BacklotCars pays Carrier, via ACH, all complete and undisputed amounts set forth in each Carrier invoice in full within thirty (30) days from the date of BacklotCars' receipt of the invoice.
11. In the event Carrier notifies BacklotCars in writing that Carrier elects the express payment term option described below, BacklotCars shall pay the complete and undisputed amounts set forth in each Carrier invoice in full within one (1) business day from the date of BacklotCars receipt of the invoice, provided that Carrier agrees and acknowledges that, in recognition of such early payment: (i) the amount paid under the invoice shall be reduced by three percent (3%) of the total invoiced amount; (ii) deliveries shall be completed and invoices submitted to BacklotCars on or before 3 pm CST on the day of delivery; (iii) deliveries and invoices submitted after 3 pm CST on the day of delivery shall be posted on the next business day (example Saturday delivery will be posted to Carrier's account on Tuesday); and (iv) originating financial institutions and receiving depositor financial institution policy may restrict Carrier's access to next day funds.
12. BacklotCars may withhold any payment of any invoice in whole or in part to protect itself from (i) services not performed in accordance with the terms of this Agreement; (ii) claims or potential claims (including, but not limited to, cargo loss and damage) arising from or related to Carrier's performance of the services; or (iii) fraud, overbilling or overpayment discovered upon audit.
13. Carrier's failure to submit an invoice may result in a delay in payment and/or non-payment.
14. Carrier must report any delay in the pickup or delivery of the vehicle load to BacklotCars.
15. Storage and storage fees accrued as a result of Carrier delay are the sole responsibility of Carrier. BacklotCars may deduct payment from the invoice if unpaid by Carrier.
16. Carrier shall not pick up a vehicle and hold (i.e., to build loads) prior to delivery to BacklotCars. Load Building/Scheduling should occur prior to pickup.
17. Carrier shall not pick up any vehicle before the BacklotCars' Customer specified available date, if specified.
